Come, craft, sew, knit or chat.

Coffee and Cake aplenty!

## 2018

This year, on some of the dates, we have put together several craft options. Again, you do not have to make these and you are welcome to bring your own craft.

We aim to run the evenings starting at 7.30pm with tea/coffee and biscuits/cake and finishing by 10pm. Some of the items may not be finished in an evening and can either be carried forward to the next one or finished at home.

The programme is flexible and can be changed at any time to suit needs.

Information regarding materials needed will follow in due course.
